**CERTIFICATION OF ADEQUACY OF SEARCH ON**  
**"NO RECORD" RESPONSES**

I, David Smith, certify that I am employed by the Environmental Protection Agency, NPDES Office, Region 9, that I am familiar with the records requested, that I am responsible for conducting the search for responsive records for Request Identification Number **EPA-R9-2014-007382**, and that I have conducted an "adequate" search for responsive records by searching the below listed location(s) (as applicable):

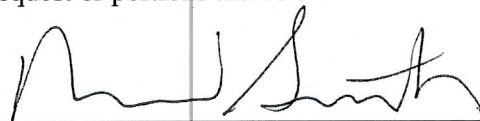

1.      Emails
2.      Surveyed staff with AZ responsibilities to determine whether they have responsive documents.

I further certify that I am aware that a search for responsive records need not be perfect, only adequate and that adequacy is measured or determined by "reasonableness" of the effort of search in light of the specific request. Specifically, I have searched for the documents in all places that it is practical for the documents to be located. After conducting an adequate search for records on behalf of the   Water   Division, I have located no records responsive to this request or portions thereof.
